

Southern California Association of Activity Professionals

Dear SCAAP Members,

This is a very exciting time of the year for the Southern California Association of Activity Professional's Awards Chairperson because it is so important for me to let you know that as a SCAAP Member you have an opportunity to nominate an outstanding worthy facility team member that you feel is deserving of one of SCAAP's Regional Awards.

These are Award Categories:

Activity Professional

Activity Assistant

Administrator

DON

Please consider nominating somebody for one of the above categories for this year's 2024 SCAAP Regional Awards. The awards will be presented on October 18th, 2024 at Fredericka Manor, Chula Vista. It is easy to do this by submitting a letter(s) describing all of your nominees' outstanding attributes, achievements, and explaining why they are deserving for the award. Please note that every award nomination submitted must be made by a SCAAP Member in good standing, except for the Activity Professional award. Nominations for "The Activity Professional of the Year" may be submitted by an Administrator/Executive Directors for their outstanding worthiest Activity Director only if their Activity Director is a member of SCAAP in good standing.

Please take time to review our website, ***SCAAP.net***, to find the criterion and nomination entry submission requirements and where to submit them to. Click on the "***MORE***" Tab in the upper right corner, and the "***Awards***" Tab will appear. Or conveniently scan our QR code below. **The deadline for all of the SCAAP Award's submissions is October 10th.**

Each SCAAP award recipient will be notified by the SCAAP Awards Chairperson to prepare them for the Awards Ceremony. It will be my honor to present at this year's **2024 SCAAP Symposium's "Awards Luncheon" Friday, October 18th at 12 noon to celebrate this year's SCAAP Award Recipients.**
